**Minutes:**

MAYOR PRO TEM REESE requested that Item 114 [SUP-15413] be held in abeyance to 10/18/06.

MARGO WHEELER, Director of Planning and Development Department, explained that Item 86 [GPA-14304] and Item 87 [ZON-14308] are projects that are waiting for a companion item to catch up from the Planning Commission meeting; therefore, she requested they be held in abeyance to 11/15/2006 instead of 11/01/2006. COUNCILMAN ROSS verified he was aware of the request.

BOB BROCKAW, 3031 Scenic Valley Way, Henderson and CHAD MELENGA, 3660 South Valley View Boulevard, requested Item 115 [MSH-13509] be held in abeyance. MR. BROCKAW explained that they are involved with two projects on Bearden Drive. The owners of these projects are out of state; one in South Carolina and one in Texas. They would like additional time to evaluate how this amendment would affect their projects. BART ANDERSON, Public Works Department, explained that a portion of the Master Street and Highways amendment applies to the Bearden Drive alignment. He also indicated that the City Engineer was not present, but would be able to answer all questions when the item is brought forward. MAYOR PRO TEM REESE suggested that MR. BROCKAW wait for the City Engineer to arrive.

MAYOR PRO TEM REESE excused MAYOR GOODMAN, who was out of the country promoting Las Vegas together with the Las Vegas Convention and Visitors Authority, and COUNCILMAN WOLFSON, who was vacationing in Italy with his family.
